

## Shady Grove

Ricky Skaggs

Shady Grove my little miss  
Shady Grove my darling  
Shady Grove my little miss  
I'm going back to Harlan.

Every time I walk this road  
It's always dark and cloudy  
Every time I see that girl  
I always tell her howdy.

If you see my little miss  
If you see my darling  
If you see my little miss  
Tell her I'm going to Harlan...
