

She Didn't Say Why

Ricky Skaggs

I don't believe I've ever felt so lonely
My heart is never hurt this bad before
But I woke up this morning to find my one and only sayin' goodb
ye
Said she wouldn't be hangin' around no more

My baby walked out on me this morning
She left me behind now I'm lonely and wonderin'
If maybe there were something I could do
To make her change her mind and stay
This wonderin' why my baby left me
Is breakin' my heart and is driving me crazy
She didn't say why she was sayin' goodbye
She just walked away

I guess I'd be a fool to keep on runnin'
Cause I know it won't do no good nohow
Cause it's already passed the point of her return
I know that it's true
I guess I'd be better off to forget her somehow

My baby walked out on me this morning
She left me behind now I'm lonely and wonderin'
If maybe there were something I could do
To make her change her mind and stay
This wonderin' why my baby left me
Is breakin' my heart and is driving me crazy
She didn't say why she was sayin' goodbye
She just walked away

My baby walked out on me this morning
She left me behind now I'm lonely and wonderin'
If maybe there were something I could do
To make her change her mind and stay
This wonderin' why my baby left me
Is breakin' my heart and is driving me crazy
She didn't say why she was sayin' goodbye
She just walked away
