When You're Lonely

Ricky Skaggs

Oh, I'm thinking of you little darling
On the day that we first met
And those words sweetheart that you told me
I'm sure I'll never forget

Oh, someday sweetheart when you're lonely
And have no one to care for you
Remember the heart you have broken
And the one that has loved you so true

You told me you always would love me
And no one could ever come between
But it seems to me you've forgotten
All those things you told to me

Oh, someday sweetheart when you're lonely
And have no one to care for you
Remember the heart you have broken
And the one that has loved you so true

I'll forget those things that you told me
And try to start our lives anew
Just remember the heart you have broken
And the one that has loved you so true

Oh, someday sweetheart when you're lonely
And have no one to care for you
Remember the heart you have broken
And the one that has loved you so true
