

Your Selfish Heart

Ricky Skaggs

I'm going away to stay awhile
Just to ease my worried mind
You never cared for me my love
So I'm leaving you behind.

It's been this way so long my dear
Why can't you understand
Your selfish heart broke up our home
Just for another man.

I tried to live my life alone
All through these lonely years
I keep your picture here with me
Just to dry these bitter tears...
