

# Baby Go

Rico Love

Baby I can't say no to my tube  
Why no my baby

Don't seem smart  
Can't be afraid that is something fake in  
Sometimes is so good that you see stars  
I'd been there before baby  
Cause every minute gets...  
Baby can't hold up the back of...  
Baby I might hang on things I didn't know  
I did girl like this help me to resist baby

Baby go  
Say no  
My... shaking my heart  
Raises so hot  
Can I say no?  
Usually I take it slow  
But tonight my sex says go  
My baby  
I can't say no tonight  
Let's keep the party going on
