

Can't Be Easy

Rico Love

No it can't be easy
Wanting someone so bad
Feenin' for their body
That somebody ohh
Can't be easy
Missin' how they kiss you
Look at how bad you got me
Ohh how you got me
Ohh

And now I'm lookin for the one who stole my heart
Cause we gotta be together
This ain't easy, this ain't easy
Yeah, and now it's hurtin me so bad that we're apart
You gotta make it better
This ain't easy noo far from easy
No it can't be easy

Every single station
Plays a song that
Reminds me of you
I'm thinkin of you
Every day and all night
It can't be easy
I still smell your fragrance
And I'm losing all my patience
Yeah it's like your love is still in the air ohh

And now I'm looking for the one who stole my heart cause
We gotta be together
This ain't easy, this ain't easy
Yeah, and now it's hurtin me so bad that we're apart
You gotta make it better
This ain't easy noo far from easy

I can't believe I fell so hard
I'm so off guard
Beggin on [?] to put her in my arm
This ain't easy
Got me ridin this train
For this pretty young thang
I'm goin out my brain no I ain't been the same ohh this ain't easy oh
h

And now I'm lookin for the one who stole my heart
Cause we gotta be together
This ain't easy, this ain't easy
Yeah, and now it's hurtin me so bad that we're apart
You gotta make it better
This ain't easy noo far from easy
