

Feels Like Home

Rico Love

You say you got a spaceship
And let me choose the destination
Baby it don't matter to me
As long as you're be hiding...
When I'm with you it's like I'm waving
Grab a... it doesn't matter to me
I'm flowding on the... it's my... confort yeah

Yes I wanna go
Anywhere you wanna take me
As long as we get physical
It feels like home, it feels like home
And you are, yes I wanna go
Just as long as you embrace me
You got my mind body and soul
Feel like home, feel like home in your arms

I've been to a lot of places
I traveled all across the waters
But nothings compares to how I feel and I'ma alone with you yea
h

Yes I wanna go
Anywhere you wanna take me
As long as we get physical
It feels like home, it feels like home
And you are, yes I wanna go
Just as long as you embrace me
You got my mind body and soul
Feel like home, feel like home in your arms

So yes I wanna go
Anywhere you wanna take me
As long as we get physical
It feels like home, it feels like home
And you are, yes I wanna go
Just as long as you embrace me
You got my mind body and soul
Feel like home, feel like home in your arms

Feel like home, feel like home in your arms
So yes I wanna go
Just as long as you embrace me
You got my mind body and soul
Feel like home, feel like home in your arms
