

Get You Alone

Rico Love

And waiting to like get you alone,
And if you listen with your heart,
You can understand my love,
But you don't wanna be a part,
You gonna demand my love,
Every day, every night, yeah
And girl I'll show you what to do now,
Turn and hit up don't let you cool down,
And get you in the moon now,
Girl I ain't trippin' 'cause I'm persistent.

When I get you alone, when I get you alone,
We're going on night when we get home,
And baby when I get you alone,
Girl I'm a tell you just as soon as we get home.
And waiting get you alone.
Can't wait till I get you alone.

Now if you fill me with your mind,
You'll appreciate my touch,
'Cause when the feelings supply You don't have to say too much,
Not a word, not a line, yeah,
And girl I'll show you what to do now,
Turn and hit up won't let you cool down
And get you in the moon now,
Girl I ain't trippin' 'cause I'm persistent.

When I get you alone, when I get you alone,
We're going on night when we get home,
And baby when I get you alone,
Girl I'm a tell you just as soon as we get home.

Don't even worry about to get clothes off,
And wait till I get you wanna
your body girl is so, so, yeah, yeah
That's why I've been waiting to your pretty body girl for so long
Yeah, and I'm gonna scrip my I needed all, girl.

And waiting till I get you all alone
Can't wait till I get you all alone.
