(What's my name girl)

Rico Lo-ove

I been a boss since the last time u saw me and if u ain't never saw me then maybe baby u lost why ya shell toe shirt says laco ste plus I'm gettin bread like moss watch me I think about the chrome and da watch got a cross full of stones so I'm gone when I walk 22 but I'm cool all old heads say I'm young but you can tell I'm grown when I talk off the damn hook I don't follow rules I talks the damn book I floss the man look so when I come a round and you niggas wanna clown please don't blame me partna tell ya girl to settle down

Settle down, settle down, settle down now, settle down, settle down, settle down now, settle down, settle down, settle down now, settle down now, settle down now, settle down, settle down now, settle down now, settle down now wind to the base line (girl) you got it goin got it goin got it goin on you got it goin got it get get get goin on you got it goin got it goin got it goin on Rico Lo-ove

Unh I know u see my car I know u seen how clean I are how fly I is wishin you could get a guy like this if u good maybe later you can try my dick yo I live like a rockstar and I'm straight from the block but I got a couple records on the pop chart ridin the block I keep three stripes on the side of the box plus the size of my watch I make a broke nigga wanna rise to the top keep stacks on me I ain't gotta hide from the cops so when I come around and u niggas wanna clown don't blame me partna tell ya girl to settle down

I throw some bread stacks look like I wrapped a rubber band around a loaf of bread money ain't a thang u can tell by the chain I keep it laid out like a sofa bed I'm so s-e-x-y in the lex I'm rich bitch unh you can tell by ma checks ice in my veins by the side of my neck and chicks bow to me as a sign of respect yup the real dude still rude in the hummer my flo make the whole room move like some thunder so when I come around and u niggas wanna clown don't blame me partna tell ya girl to settle down

Oh ah oh ah

(If you feel good baby let be hear you say) oh ah oh ah (feel real good baby let me hear you say) oh ah oh ah (If it feel good baby let me hear you say) oh ah oh ah Rico Lo-ove
