

# Take Me Home

Rico Love

Turn the lights on...

How's about to dance  
Baby you could be my partner, yeahyeah yeah.  
'cause I'm your biggest fan,  
So I'll sit back and watch ya, yeahyeah yeah

I'll grab you by the hand  
And lead you to the floor, yeahyeah yeah  
So don't go making plans  
'cause when the DJ says his last call  
I'll be waiting by the door

I wanna take you home tonight  
I promise I will make it nice and easy baby  
Take you home tonight  
I'm a let you touch me, love me, squeeze me baby  
I wanna take you home tonight  
'cause you got me open and I really want you right now  
I wanna take you home tonight  
Oh you can be... be my little baby

Turn the lights on...

You can leave your friends  
And tell them that I got ya, yeahyeah yeah.  
I'll wrap your shirt around my hands  
And wave it like a helicopter, yeahyeah yeah.

I hope you're ready to begin  
I'll be sure to do it slow, yeahyeah yeah.  
And I know you ain't my man  
But I promise when night's over  
Boy you'll be mine for sure

I wanna take you home tonight  
I promise I will make it nice and easy baby  
Take you home tonight  
I'm a let you touch me, love me, squeeze me baby  
I wanna take you home tonight  
'cause you got me open and I really want you right now  
I wanna take you home tonight  
Oh you can be...

Turn the lights on...

I wanna take you home tonight  
I promise I will make it nice and easy baby  
Take you home tonight  
I'm a let you touch me, love me, squeeze me baby  
I wanna take you home tonight, yeah.  
'cause you got me open and I really want you right now  
I wanna take you home tonight  
Oh you can be...

Turn the lights on.
