

Blink Of An Eye

Ricochet

I felt my heart rate jump
I felt adrenaline pump
The split second that I saw you walk in
A little voice inside
Said "Better hold on tight
Get ready set go you're gonna fall again"

How fast is a speeding bullet
How fast can Superman fly
How fast does a shooting star
Race across the sky
How fast can a dream come true
All I know is one look at you
And I fell in the blink of an eye.

I felt my temperature burn
I felt the whole world turn
Like gravity was pulling your heart to mine
When you looked at me like that
Quicker than a finger snap
I saw you and me forever in record time

How fast is a speeding bullet
How fast can Superman fly
How fast does a shooting star
Race across the sky
How fast can a dream come true
All I know is one look at you
And I fell in the blink of an eye.

How fast is a ricochetin' bullet
How fast can Superman fly
How fast can a dream come true
All I know is one look at you
And I fell in the blink of an eye

How fast can a dream come true
In the blink of an eye
How fast can I fall for you
