

Pick Up The Pieces

Riddlin' Kids

Used to be a time where everything I did was right and nothing could go wrong.

Nothing could go wrong.

I don't want to talk about it.

I don't want to think about it.

Seems like all the walls are falling down around my feet and...

Here I am just picking up the pieces.

All alone just picking up the pieces.

Here I am just picking up the pieces.

I don't want to.

I don't want to.

Everything you've got doesn't really mean a lot when everything goes wrong.

Everything goes wrong.

I don't want to think about it.

Seems like all the walls are falling down around my feet and...

Here I am just picking up the pieces.

All alone just picking up the pieces.

Here I am just picking up the pieces.

I don't want to.

I don't want to.

Here I am just picking up the...

Here I am just picking up the...

Where did I go wrong?

Where did I go wrong?

Here I am just picking up the pieces.

All alone just picking up the pieces.

Here I am just picking up the pieces.

I don't want to.

I don't want to.
