

You walk into this place.  
The light shines on you're face, and I wish you were mine.  
There used to be a time....  
You aim a smile at me.  
I can't even speak.  
I'm too scared to try, just a waste of time.

Just a waste of time.

Tina you just act like you don't know the way I feel.  
You call me back each night to reinsure my dream is real.  
How long do you plan to keep on stringing me along?  
I'm realizing I was wrong and you're just a waste of time.

Just a waste of time.

Look at what you've done to me! Tina!

All my friends are warning me, but I'm just way to blind to see  
.  
I've just got to disagree.  
I don't claim to know the way, but I'll snap out of it some day  
.  
I don't claim to know the way.

I don't have the time to sit and wait, to sit and wait.  
I don't have the time.  
I'm losing my sanity!

Look at what you've done to me! Tina!

All my friends are warning me, but I'm just way to blind to see  
.  
I've just got to disagree.  
I don't claim to know the way, but I'll snap out of it some day  
.  
I don't claim to know the way.
