

All I Want

Ride

There is a lil' wind blowin'
Maybe you feel it too
Strange people on the rise
One day they're gonna come for you

(All I want)

(All I want is)

(All I want)

(All I want is)

While you were sleepin' on it
Your future was torn from under you
It's not a pretty picture
This is nineteen thirty-two

(All I want is)

(All I want is)

All I want is to leave this time (All I want is)

Believe me (All I want is)

All I want is to leave this time

I can't feel how you want me to feel

I can't know what you want me to know

All I want is, all I want is

I can't be what you want me to be

I can't go where you want me to go

All I want is, all I want is

(All I want is)

All I want is to leave this time (All I want is)

Believe me (All I want is)

All I want is to leave this time (All I want is)

All I want is to leave this time (All I want is)

Believe me (All I want)

All I want is to leave this time

I can't feel how you want me to feel

I can't know what you want me to know

All I want is, all I want is

I can't be what you want me to be

I can't go where you want me to go

All I want is, all I want is
