

I Wanna Go To A Place...

Rie fu

I wanna go to a place where I can say
That I'm all right I'm staying there with you
I wanna know if there could be anyway
That there's no fight, and I'm safe and sound with you

And every time I look, I thought you were there,
But it was just my imagination
I don't see it anymore cause I see through you now

Ima de mo kizukanai deshou kono shizuka na sora ni
Itsu de mo omoidasu kedo mou doko ni mo modorenai

Soshite zutto kokoro de samete sotto kizuite
Itsuka kitto yasashisa miete kuru you ni

What's stopping me? I get stuck again
Is it really OK? It's never OK for me
What's got into me? I get lost again
Is it really OK? It's never going to be

Soshite motto sagashite me no mae ni kizuite
Asu wa kitto kazamuki mo kawaru you ni
Kaze ga sotto sasayaku ugameku no wa kono daichi
Mayowanaide yasashisa miete kuru you ni

And every time I look, I thought you were there,
But it was just my imagination
I don't see it anymore cause I see through you now

I wanna go to a place where I can say
That I'm all right I'm staying there with you
