

# Somebody's World

Rie fu

So touch me like a soft breeze,  
I never know I could be so blessed  
What I had dreamed of had swept thru my cheek,  
and now it swept away once again

What if her life was on air every weekdays, from 10-  
11:35  
Would you care enough to watch it  
with a handful of popcorn in your hand?  
Would it entertain you enough for the day?

Would you care enough to know  
that she feels like she's abandoned from the people she  
thinks she still can't open up her heart to?  
Would you be kind enough to know  
that they've got something to say,  
but everything inside pulls them down to the point  
where they can't sing out to the world

Chiisai koro otona wa minna tadashii kimono da to  
omotteta  
itsuka wa jibun mo sonna fuu ni nareru to omotteta

Yume de mita koukei wa utsukushiku kagayaiteta  
dakedo totemo kanashikute namida koraeteta  
watashi ni wa kotoba to sukoshi no KO-DO areba  
kokoro ga atatakaku natteku

I just wanna be the free and natural me  
I just want you to feel the same as me

Dream otteku uchi ni kimi kara tozakatte itta  
manzoku shitaku wa nai motto ue todoku you ni  
arukitsudzuketai kara  
I reach out for you  
feeling the beat in your hand

I just wanna be free

Can you strike up a conversation with a stranger  
on the street and make a connection?  
Stop them from jumping off the platform!  
Don't use up all you've got,  
if you really wanna stay here long enough to be saved.
