

# Bitches in my Driveway

Riff Raff

Yeah, yeah, yeah, yeah, yeah

Bitches in my driveway  
I got bitches in my driveway  
So many bitches in my driveway  
I got bitches in my driveway  
So many bitches in my driveway

I gotta quit drinking, what was I thinking  
Woke up with a girl look like Abraham Lincoln  
Drop out a house, more like a jail  
Don't wanna see you again cause your legs are too pale  
I roam the streets holding my meat  
Bitch want top, you get slapped in the teeth  
Sweep the knees, Karate Kid 3  
Starring me, director Spike Lee  
I do the right thing, fuck you on the sink  
Then choke your tits with your grandma's mink

I got bitches in my driveway  
So many bitches in my driveway  
I got bitches in my driveway  
So many bitches in my driveway  
I got bitches in my driveway  
So many bitches in my driveway  
I got bitches in my driveway  
So many bitches in my driveway

Step on the scene like Peter Vincent for instance  
I ball in an instant  
Rap game Dan Marley I shoot shots from a distance  
This ain't practice, hit the trench coat in the hedges  
45 in the blender with the matching bald eagle feather  
OshKosh B'gosh suspenders  
Over the 1989 Geraldo Rivera sweater  
Oh you want bitches, peep the driveway  
Looks like a Saint Patrick's Day parade

I got bitches in my driveway  
So many bitches in my driveway  
I got bitches in my driveway  
So many bitches in my driveway  
I got bitches in my driveway  
So many bitches in my driveway  
I got bitches in my driveway  
So many bitches in my driveway

Got bitches in the driveway of my home  
Looking like big titty garden gnomes  
I hope they never leave til I say so  
Feed 'em yayo if they water my tomatoes  
Give 'em halos if they fuck with my pesos  
Before you get merked ho, da me beso  
Hear chickey chicken, gobble this nut  
I'll stick Puerto Rican dick up your butt  
Don't worry cause the sprinkler is filled with lube  
Bitch how you got no neck and one boob

Clip your clit off like Kid Icarus wings  
Your pussy's so broken when you piss, it stings

I got bitches in my driveway  
So many bitches in my driveway  
I got bitches in my driveway  
So many bitches in my driveway  
I got bitches in my driveway  
So many bitches in my driveway  
I got bitches in my driveway

Ass cheeks on my brake lights  
First world problems left handed and I face right  
She could robbing niggas blind cause her snatch tight  
She Was 17 in the club foolin' mad guys  
Now she in my driveway looking like a ballet  
Got her friends with her on their Twitter and they roll J's  
and they go gay  
Got her actress friends and them chickens like to role play  
So fry 'em up and dick 'em up  
Like it extra crispy, 960 bitch I eat it up  
Bitches in my driveway, I just turn the speakers up  
Riding when I'm ready, real niggas yell "giddy up"
