Twist the game, out in the sun
Candy bitch, candy tongue
40k, that's without the wrist
Raff Riff drunker than a sonofabitch
Hog the lane, bleed the block
Pulling up the lock, candy chrome drop top
Drive into the wind, I can't lose
That J. Lo - nah bitch, Penelope Cruz
Freeze stunner, wave runner
Ruin your summer in a tangerine Hummer
Leave you shitting, like a plumber
Poppin' pills in a Mary Kay dumpster
Poppin' pills in a Mary Kay dumpster
Poppin' pills in a Mary Kay dumpster
Poppin' pills in a Mary Kay dumpster
