Why you dressed like that, if you weren't trying to fuck  
Your friend getting jealous tell her she can join in  
Cut the lights off now you look like twins  
Girl got the minge, girl you musn't see the Benz  
Ten hoes at the crib and you know they all tens  
It's a bunch of Louie bags, bitches came to get it in  
Now she naked in the pool telling me to dive in  
Got a bunch of girls here, right amount of niggas  
Man these hoes going HAM choosing up all the winners  
Smoking upstairs on the couch with some freaks  
So when you get it when you pass blunt fuck with chief  
Some bitches at my crib that I ain't even meet  
Probably been here for a week
