

# Bring Your Smile

Right Said Fred

Bring your smile  
Bring your lips  
Bring those sweet words I can sip  
Bring your heart  
Bring your beat  
That always brings me to my feet

'Cause you must know  
that I won't go anywhere unless I know  
If gotta bring your laugh  
Bring your vibe  
That little something deep inside  
Bring it on yeah bring it on  
You've made me wait babe far too long

'Cause you must know  
that I won't go anywhere unless I know  
Ah ah ah  
You gotta bring your smile  
bring your smile to me  
Ah ah ah  
You gotta bring your smile  
bring your smile to me

Sing your song  
That sweet refrain  
It always wins me round again  
Bring your moon  
Bring your stars  
Bring the night that's always ours

'Cause you must know  
that I won't go anywhere unless I know  
Ah ah ah  
You gotta bring your smile  
bring your smile to me  
Ah ah ah  
You gotta bring your smile  
bring your smile to me

'Cause you must know  
that I won't go anywhere unless I know  
Bring your ying  
Bring your yang  
For your hoochie coochie man  
Bring your gold  
And amethyst  
Bring your million dollar kiss

'Cause you must know  
that I won't go anywhere unless I know

Ah ah ah  
Bring your smile  
bring your smile to me

Ah ah ah

You gotta bring your smile  
bring your smile to me

Ah ah ah  
You gotta bring your smile  
bring your smile to me

Ah ah ah  
Bring your smile  
bring your smile to me

Ah (your smile), ah (your smile), ah (your smile)  
(your smile) (bring your smile)  
You gotta bring your smile to me

Ah ah ah (bring your smile, bring your smile) (bring your smile, bring your smile)  
Ah ah ah (bring your smile, bring your smile)  
Ah ah ah.
