

# Don't Talk Just Kiss

Right Said Fred

Kiss kiss kiss kiss

Ah so let me one kiss  
Let me loose on you, inch by inch  
The one and only reason is fun fun fun  
I said: Well baby (Well Baby)  
We've only just begun

So don't talk just kiss  
we're beyond words and sound  
Don't talk just kiss  
Let your tongue fool around  
Let's fool around

Ooh yeah (Aha)  
There's people, there's love  
You and I both apply to the above.  
The one and only reason is fun fun fun  
I said: Well baby (Well Baby)  
We've only just begun

So don't talk just kiss  
we're beyond words and sound  
Don't talk just kiss  
Let your tongue fool around

Ah ha  
We're wasting precious time  
don't talk, kiss, ah  
And make it mine  
The one and only reason is fun fun fun  
I said: Well baby (Well Baby)  
We've only just begun

So don't talk just kiss  
we're beyond words and sound  
Don't talk just kiss  
Let your tongue fool around

Come on, come on, come on, come on  
Fool around  
Come on, come on, come on, come on  
Fool around  
Come on, come on, come on, come on  
Fool around.  
(Surrender your love to me!)

So don't talk just kiss  
we're beyond words and sound  
Don't talk just kiss  
Let your tongue fool around

So don't talk just kiss  
we're beyond words and sound  
Don't talk just kiss  
Let your tongue fool around

Let's fool around (What you say?)  
Let's fool around (What you say?)  
Let's fool around (What you say?)  
Let's fool around (What you say?)  
What do you say? Let's fool around....
