

Fräulein Wunderbar

Right Said Fred

One, two, three, four...

I was standing at the station
Looking at the cancellations
And then making conversation
She said do you want a ride

We got in a cab together
And we drove out to the park
We drank champagne
Oh and we had a laugh
Fräulein Wunderbar

Be my fräulein, I wrote it down in a letter
Co me one time, do it all over
Fräulein Wunderbar

Do it all over
Fräulein Wunderbar

I was flirting with disaster
To the sound of ghetto blasters
Oh I knew she was faster
Then a roller coaster ride
We went up and down together

And we rocked from side to side
We drank champagne
Oh and we had a laugh
Fräulein Wunderbar

Be my fräulein, I wrote it down in a letter
Do me one time, do it all over
Fräulein wunderbar

Be my fräulein, yeah I wrote it down in a letter
Do me one time, do it all over
Fräulein Wunderbar

Do it all over
Fräulein Wunderbar

Oh it's been a while
But I haven't heard a word since I met you
Are you back with your man did he turn up
In a van and come and get you
Well I'm pulling it all together,
life's been good so far
C'est la vie, alles klar,
Fräulein Wunderbar

One, two, three, four

Be my fräulein, I wrote it down in a letter
Do me one time, do it all over
Fräulein Wunderbar

Alles klar, Fräulein Wunderbar.
