

Jesus Is A Clubber

Right Said Fred

I was just, talking to, Jesus in the cloakroom
Jesus said, try this bread, this is something new
Lift me up, set me free, lay your hands on me
Lift me up, set me free, lay your hands on me

Jesus is a clubber I know I know
His mum is Mary, his dad is Joe
Jesus is a clubber he told me so
When I met Jesus at the disco... at the disco

I was just, dancing witz, Jesus to Volare
Jesus said, lets go Fred, it will soon be Sunday
Lift me up, set me free, lay your hands on me
Lift me up, set me free, lay your hands on me

Jesus is a clubber I know I know
His mum is Mary, his dad is Joe
Jesus is a clubber he told me so
When I met Jesus at the disco

He was here, he was there, he was everywhere
He was here, he was there, he was everywhere
He was here, he was there, he was everywhere

I was just, hanging witz, Jesus and the DJ
He raised a toast to the Holy Ghost
Then went on his way
Lift me up, set me free, lay your hands on me
Lift me up, set me free, lay your hands on me

Jesus is a clubber I know I know
His mum is Mary, his dad is Joe
Jesus is a clubber he told me so
When I met Jesus at the disco... at the disco

Jesus is a clubber I know I know
His mum is Mary, his dad is Joe
Jesus is a clubber he told me so
When I met Jesus

Yeah we're dancing with Jesus
We're dancing at the disco
We're dancing with Jesus
Dancing with Jesus.
