

# Jubilee

Right Said Fred

I went to the jubilee  
With my friends and the family  
Bought some drinks, we bought some snacks  
We waved a flag and she waved right back  
At the jubilee  
The jubilee

Bought a mug, it cost ten pounds  
We weren't allowed inside the grounds  
It got me down, it spoiled my day  
We saw the duke, he said go away  
From the jubilee  
The jubilee

We were one, we were unified  
For a day full of bulldog pride  
Mum cried, she felt fulfilled  
Dad cried when he got the bill  
For the jubilee  
The jubilee  
The jubilee  
Made no sense to me

We all sang along with Paul  
Gehe VIP`s and the have it alls  
We missed our bus, we missed the tube  
While we na na na'd Hey Jude  
At the jubilee  
The jubilee.
