

# Love for All Seasons

Right Said Fred

There's no truth in the rumour  
That's all I want to say  
There's no room for manoeuvre  
Make sure that it stays  
A love for all seasons

October was a drag  
Damn it all  
You and I were fools

Overcast and sad  
Winter blues  
Allowing us to cool

When it's grey I know all I want to do  
Resort to make-believe

There's no truth in the rumour  
That's all I want to say  
There's no room for manoeuvre  
Make sure that it stays

A love for all seasons

January comes  
Steely blue  
Nothing seems to rhyme  
With all the noise of spring  
Passion wakes  
Cos' we hear summertime

When it's grey I know all I want to do  
Resort to make-believe

There's no truth in the rumour  
That's all I want to say  
There's no room for manoeuvre  
so Make sure that it stays

A love for all seasons...

October comes around  
As it does  
But this time we're prepared  
You and I can go  
To love land  
There's a sunset to be shared

When it's grey I know all I want to do  
Resort to make-believe...

There's no truth in the rumour  
That's all I want to say  
There's no room for manoeuvre  
So Make sure that it stays

There's no truth in the rumour

That's all I want to say  
There's no room for manoeuvre  
So Make sure that it stays

A love for all seasons  
yeah, a love for all seasons  
I said it

January, February, March, April,  
May, June July,  
I love you  
August, September, October, November,  
I love you, yes I will..

oh cheers  
yeah october was a fire  
and in to 9:00 to 3:00 I love you  
both of us getting higher  
oh yeah...

let's take the phone of the look  
pull it off the wall  
all the curtains, girl  
turn on the gas on that fire
