

Mojive

Right Said Fred

This is the house of Mojive!

You take the 'R' and 'B' from the rhythm and blues,
the 50's style and the dancing shoes, a little bit of soul,
a little bit of roll, four on the floor and we're ready to go.

We call it Mojive! (Mojive) We call it Mojive! (Mojive)
We call it Mojive! (Mojive) yeah we call it Mojive! (Mojive)

You take the Hip-Hop sound and you shuffle it around,
a techno beat, but you make it sound sweet, a little bit of house,
a little bit of swing, four on the floor and you're doing your thing.

We call it Mojive! (Mojive) We call it Mojive! (Mojive)
