Right Said Fred

Let me take you down down down to rocket town  
Yeah we're going down down down to rocket town  
Let me take you down down down to rocket town  
Yeah we're going down down down to rocket town

Every time I see you baby (hey yeah, hey yeah)  
There's always a tear to be found (hey yeah, hey yeah)  
This request just won't stop coming (hey yeah, hey yeah)  
So come with me now (go Fred go, go Fred go)

Let me take you down down down to rocket town  
Yeah we're going down down down to rocket town  
Let me take you down down down to rocket town  
Yeah we're going down down down to rocket town

Every time you keep me guessing (hey yeah, hey yeah)  
It's always the same run around (hey yeah, hey yeah)  
Ammunition won't stop gunning (hey yeah, hey yeah)  
So come with me now (go Fred go, go Fred go)

Close your eyes, it ain't hard to find
