

# Summertime Fools

Right Said Fred

I really want to go to the aftershow  
To show off my new friend  
Then they insist  
You must be on the guestlist  
Of you can't come in  
Somebody says hey buddy  
I've seen your face before  
Ain't I seen you downtown on the door

Dancing by the pool  
We were all way too cool for school  
Having fun fun fun in the sun sun summertime  
Dancing by the pool  
Dancing by the pool  
We were all desperate to be cool  
Having fun fun fun  
'cos we're sun sun summertime fools

there's Donna and there's Kate  
and they were best mates  
until she slept with Kim  
they were real pissed  
'cos they were on the b list  
Till someone blagged them in  
Somebody said hey DJ  
Wont you play my favourite song  
Play it so the girls stay all night long

Dancing by the pool  
We were all way too cool for school  
Having fun fun fun in the sun sun summertime  
Dancing by the pool  
Dancing by the pool  
We were all desperate to be cool  
Having fun fun fun  
'cos we're sun sun summertime fools

And we were just putting off  
The day we had to grow up  
And we were just hanging on  
Until tomorrow showed up

Dancing by the pool  
We were all way too cool for school  
Having fun fun fun  
'cos we're sun sun summertime fools  
Dancing by the pool  
Dancing by the pool  
We were all way too cool for school  
Having fun fun fun in the sun sun summertime  
Dancing by the pool
