

You're my Mate

Right Said Fred

I'll tell you what I think, I think she's a cow
she's let you down too many times now
let's go for a drink, forget it from now
put it behind you, I think it's your round

Cause you're my mate and I will stand by you
you're my mate and I will stand by you
and in the face of things that could hurt you
you're my mate and I will stand by you.

Cause you're my mate and I will stand by you
you're my mate and I will stand by you
and in the face of things that could hurt you
you're my mate and I will stand by you
cause you're my mate.

I'll tell you what I think, I think he's a pain

he ain't got a car but he drive you insane
let's go for a drink and think of you
enough about him, let's talk about you.

Cause you're my mate and I will stand by you
you're my mate and I will stand by you
Cause you're my mate and I will stand by you
you're my mate and I will stand by you
and in the face of things that could hurt you
you're my mate and I will stand by you.
Cause you're my mate

All I wanna do is get drunk here with you (4 X)

Cause you're my mate and I will stand by you
you're my mate and I will stand by you
and in the face of things that could hurt you
you're my mate and I will stand by you.

Cause you're my mate and I will stand by you
you're my mate and I will stand by you
and in the face of things that could hurt you
you're my mate and I will stand by you
