Contagious Contamination

Rigor Mortis

Blood, blood - runs from putrid sores Screams, screams- worse than any war Toxic, toxic - Sick contamination Raping, raping - Through our planet's nations

Gruesome crimson bodies
Suffer final anguish
From waste or space
From a pissed off god
Where it comes from no one knows
Contagious contamination

Carnage, carnage - Fills the stinking streets Rotten, rotten - Swollen rancid meat Plague, plague - Everyone shall fall Death, death - And darkness rule all
