

# Agony

Rigor Sardonicous

The horrors of my mind  
Cloud reality  
Dark figures play  
Tearing my soul

Decent to madness  
Seems inevitable  
All seems lost and  
Devoid of hope  
Sickness of mentality  
Confusions of reality

Insane thoughts  
Drive my vision  
Taking me to the end

Pain of suffering  
Is all the keeps  
Me alive  
Agony, misery,  
Despair  
Guide me on  
My quest

Lost...Alone  
Destiny...Provoked  
Time drifting  
Senses shifting  
Feelings  
Gone...Forever  
Done

Lessons of life never  
Learned  
Useless guilt of  
Survival  
Tight embrace of  
Emptiness  
Darkness dulls the  
Light

Symptoms hidden  
Behind desolation  
The diagnosis never  
Comes  
Alive but not living  
Hope of tomorrow is  
Gone
