

## Cockiness (Love It)

Rihanna

Suck my cockiness  
Lick my persuasion  
Eat my poison  
And swallow your pride down, down

Place my wants and needs  
Over your resistance  
And then you come around  
You come around  
You come around

I want you to be my sex slave  
Anything that I desire  
Be one with my femin-ay  
Set my whole body on fire

They mad at Rihanna game  
Taking over your empire  
She may be the queen of hearts  
But I'm gonna be the queen of your body parts

No one can do ya  
The way that I do  
Boy I wa-a-ant  
(Youuuuuuu)  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it, I love it  
I love it when you eat it  
I love it when you eat it  
I love it when you eat it

Lick my persuasion  
Eat my poison  
And swallow your pride down, down

Place my wants and needs  
Over your resistance  
And then you come around  
You come around

Just submit to my every order  
Enter my diamond matrix  
If you want my golden flower

Make me your priority  
There's nothing above my pleasure

She may be the queen of hearts  
But I'm gonna be the queen of your body parts

Homie don't beat it like a bullet  
Beat my drum drum  
Like a drum line boogie  
(I love it when you)  
Dive head first if you wanna  
Sing to my body  
Hold me tight mister lover  
(I love it when you)  
Do it like I do it  
Like I said  
Keep it up, boy  
We can do this all day  
Be my Harlem  
And me St. Tropez  
Never found nobody  
That will do it this way

No one can do ya  
The way that I do  
Boy I wa-a-ant  
(Youuuuuuu)
