Desperado

Sitting in a old Monte Carlo  
A man whose heart is hollow  
Uh huh, take it easy  
I'm not tryna go against you  
Actually, I'm going with you

Gotta get up out of here  
And you ain't leaving me behind  
I know you won't, cause we share common interests  
You need me, there ain't no leaving me behind  
Never know, no, just want out of here  
Yeah, once we're gone, ain't no going back

If you want, take a peek and run away  
Running from and it's out of luck  
Yeah, yeah, there ain't nothing  
There ain't nothing here for me  
There ain't nothing here for me anymore  
But I don't wanna be alone

Desperado

Sitting in an old Monte Carlo  
We've both had our hearts broken  
Take it easy  
I'm not trying to go against you  
I can be a lone wolf fishing

Gotta get up out of here  
And you ain't leaving me behind  
I know you won't, cause we share common interests  
You need me, there ain't no leaving me behind  
Never know, no, both flying out of here  
Yeah, once we're gone, ain't no going back

If you want, we could be runaways  
Running from and it's out of luck  
Yeah, yeah, there ain't nothing  
There ain't nothing here for me  
There ain't nothing here for me anymore  
I don't wanna be alone

Dear desperado

Yeah I don't wanna be alone  
Dear desperado  
Yeah I don't wanna be alone

If you want, we could be runaways  
Running from and it's out of luck  
Yeah, yeah, there ain't nothing  
There ain't nothing here for me  
There ain't nothing here for me anymore  
But I don't wanna be alone
