

# Fading

Rihanna

You say you love me  
But they feel like words to me  
But this just ain't working  
Stop thinking  
You can run over me  
Drifting, settling out to a former place  
If I can't see what's in front of me  
It's a mystery  
Well than apparently

Things just ain't the same  
And I'm ready for change  
Go on, be gone, bye bye, so long

Can't you see that your fading  
Fading, fading, fa a a a away, away, away, away  
I opened up my eyes  
And I finally realized  
Today, today, it's too late  
You're fading away

Put a sock in it  
Just stop running your mouth  
Got my mind made up  
I ain't coming back again  
No way, no way, no way, no way

Cause I'm so fed up  
Boy you got me messed up  
If we hooking back up

Don't press your luck today  
Today I'm blowing you away

Things just ain't the same  
And I'm ready for change  
Go on, be gone, ta ta, so long

Can't you see that your fading  
Fading, fading, fa a a a away, away, away, away  
I opened up my eyes  
And I finally realized  
Today, today, it's too late  
You're fading away

So you turn into a ghost  
Right in front of my eyes  
Tell me what's a girl to do  
When she's crying inside  
I'm about to go insane  
I'm jumping off this train  
Whether wrong or right  
I'll be gone by night

Can't you see that your fading  
Fading, fading, fa a a a away, away, away, away  
I opened up my eyes

And I finally realized  
Today, today, it's too late  
You're fading away
