

Final Goodbye

Rihanna

I never should have waited
So long to say
What I've always known
Since the very first day
Thought that you would stay
Forever with me
But the time has come to leave

Before we turn out the lights
And close our eyes
I'll tell you a secret
I've held all my life
It's you that I live for
And for you I die
So I lay here with you
'til the final goodbye

Holding you close
Close to my lips
Listen intently
As I tell you this
Outside the world
Wages its war
I'll rest in peace
As long as you know

Before we turn out the lights
And close our eyes
I'll tell you a secret
I've held all my life
It's you that I live for
And for you I die
So I lay here with you
'til the final goodbye

Promise you our love
Will carry on
Until time eternal
We belong

Before we turn out the lights
And close our eyes
I'll tell you a secret
I've held all my life
It's you that I live for
And for you I die
So I lay here with you
'til the final goodbye

As I taste your lips
For the last time
I spell out the lyrics
To love in the stars
It's you that I live for
And for you I die
So I lay here with you
'til the final goodbye
