

# Final Goodbye

Rihanna

I never should have waited  
So long to say  
What I've always known  
Since the very first day  
Thought that you would stay  
Forever with me  
But the time has come to leave

Before we turn out the lights  
And close our eyes  
I'll tell you a secret  
I've held all my life  
It's you that I live for  
And for you I die  
So I lay here with you  
'til the final goodbye

Holding you close  
Close to my lips  
Listen intently  
As I tell you this  
Outside the world  
Wages its war  
I'll rest in peace  
As long as you know

Before we turn out the lights  
And close our eyes  
I'll tell you a secret  
I've held all my life  
It's you that I live for  
And for you I die  
So I lay here with you  
'til the final goodbye

Promise you our love  
Will carry on  
Until time eternal  
We belong

Before we turn out the lights  
And close our eyes  
I'll tell you a secret  
I've held all my life  
It's you that I live for  
And for you I die  
So I lay here with you  
'til the final goodbye

As I taste your lips  
For the last time  
I spell out the lyrics  
To love in the stars  
It's you that I live for  
And for you I die  
So I lay here with you  
'til the final goodbye
