

Kisses Don't Lie

Rihanna

Kisses don't, no, they don't
Never don't lie
You can run if you want but you can't hide
Tellin' you it's the truth don't you ask why
Kisses don't, no, they don't
Kisses don't lie

Emotions come and go
Almost how the wind will blow
There so little in this world to trust in
Seduce themselves with lies
Some don't realize
They call it love but it's really only lustin'

So you see you and me
We're gettin' close to the danger zone
Show me how tell me now
Should I stay or should I go
'Cause I'm caught between yes and no

'Cause when you kiss me
I feel everything that I've been missing
I try to slow down but my heart won't listen
And it's tearin' me all up inside
And when you touch me
I feel a rush but I'm afraid that it might crush me
Should I put my trust in somethin' I don't trust in
I try to run but there's no place to hide
'Cause baby kisses don't lie

Kisses don't, no, they don't
Never don't lie
You can run if you want but you can't hide
Tellin' you it's the truth don't you ask why
Kisses don't, no, they don't
Kisses don't lie

You whisper in my ear
But are your words sincere?
'Cause pretty words can cut just like a knife
You see I'm nobody's fool
I play by my own rules
So please, think twice before you step into my life

So you see you and me
We're gettin' close to the danger zone
Show me how tell me now
Should I stay or should I go
'Cause I'm caught between yes and no

'Cause when you kiss me
I feel everything that I've been missing
I try to slow down but my heart won't listen
And it's tearin' me all up inside
And when you touch me
I feel a rush but I'm afraid that it might crush me
Should I put my trust in somethin' I don't trust in

I try to run but there's no place to hide
'Cause baby kisses don't lie

'Cause when you kiss me
I feel everything that I've been missing
I try to slow down but my heart won't listen
And it's tearin' me all up inside
And when you touch me
I feel a rush but I'm afraid that it might crush me
Should I put my trust in somethin' I don't trust in
I try to run but there's no place to hide
'Cause baby kisses don't lie

So you see you and me
We're gettin' close to the danger zone
Show me how tell me now
Should I stay or should I go
'Cause I'm caught between yes and no

'Cause when you kiss me
I feel everything that I've been missing
I try to slow down but my heart won't listen
And it's tearin' me all up inside
And when you touch me

Should I put my trust in somethin' I don't trust in
