

# Lost In Paradise

Rihanna

How was I to know that my love was delusional?  
Somebody tell me how to mend a broken-hearted soul  
In love we all will fall but we fell a little harder  
What am I supposed to do with this heart?

It may be wrong but it feels right to be lost in paradise

I'm so lost in paradise (lost in paradise)  
If I open up my eyes  
I can see the storm, I can see the sky  
I can see the darkness, flashing lights  
All my fears gone tonight  
Let me stay, I'm lost in paradise

(Bass slap)
