

Now I Know

Rihanna

Took a chance, roll the dice of me and you
Opened up, let you in my world
Like a dance, started slow and then love took control
Swept away, so proud to be your girl
When you read a story much too fast
Sometimes a happy ending doesn't last

Now I know that love ain't meant to be a play thing
Now I know it's not an ordinary everyday thing
Now I know that when this ride is so amazing
When it's wrong you gotta let it go
Now I know
Now I know

Remember when we said our love would last forever
But then again how are we to know
There come a time that love will change like stormy weather
A sunny day will suddenly turn cold
Time will teach you all you need to learn
But there'll always be a first time you get burned

Now I know that love ain't meant to be a play thing
Now I know it's not an ordinary everyday thing
Now I know that when this ride is so amazing
When it's wrong you gotta let it go
Now I know
Now I know

I don't regret a single day
Joy and pain along the way
A broken heart's the price we pay
As sad as it may seem
Baby, can't you see
It's the way it's gotta be

Now I know that love ain't meant to be a play thing
Now I know it's not an ordinary everyday thing
Now I know that when this ride is so amazing
When it's wrong you gotta let it go
Now I know
Now I know

Yeah, now I know
I know
