Baby baby

When we first met I never felt something so strong  
You were like my lover and my best friend  
All wrapped in one with a ribbon on it  
And all of a sudden you went and left  
I didn't know how to follow  
It's like a shock that spun me around  
And now my heart's dead  
I feel so empty and hollow

And I'll never give myself to another the way I gave it to you  
You don't even recognize the ways you hurt me, do you?  
It's gonna take a miracle to bring me back  
And you're the one to blame  
And now I feel like....oh!

You're the reason why I'm thinking  
I don't wanna smoke on these cigarettes no more  
I guess that's what I get for wishful thinking  
Should've never let you enter my door

Next time you wanna go on and leave  
I should just let you go on and do it  
'Cause now I'm using like I bleed

It's like I checked into rehab  
And baby, you're my disease  
It's like I checked into rehab  
And baby, you're my disease  
I gotta check into rehab  
'Cause baby you're my disease  
I gotta check into rehab  
'Cause baby you're my disease

Damn, ain't it crazy when you're loveswept  
You'd do anything for the one you love  
'Cause anytime that you needed me I'd be there  
It's like you were my favorite drug  
The only problem is that you was using me  
In a different way than I was using you  
But now that I know it's not meant to be  
I gotta go, I gotta wean myself off of you

And I'll never give myself to another the way I gave it to you  
You don't even recognize the ways you hurt me, do you?  
It's gonna take a miracle to bring me back  
And you're the one to blame  
'Cause now I feel like....oh!

You're the reason why I'm thinking  
I don't wanna smoke on these cigarettes no more  
I guess that's what I get for wishful thinking  
Should've never let you enter my door

Next time you wanna go on and leave  
I should just let you go on and do it  
'Cause now I'm using like I bleed

It's like I checked into rehab  
And baby, you're my disease  
It's like I checked into rehab  
And baby, you're my disease  
I gotta check into rehab  
'Cause baby you're my disease  
I gotta check into rehab  
'Cause baby you're my disease
