Right Now

Whenever baby I'm yours

Tomorrow's way too far away And we can't get back yesterday But we young right now We got right now So get up right now Cause all we got is Right Now

Tomorrow's way too far away And we can't get back yesterday But we young right now We got right now So get up right now Cause all we got is Right Now

Baby tonight I need you And I feel it when I see you Wherever you wanna go Whenever baby I'm yours

Tomorrow's way too far away And we can't get back yesterday But we young right now We got right now So get up right now Cause all we got is Right Now

Tomorrow's way too far away And we can't get back yesterday But we young right now We got right now So get up right now Cause all we got is Right Now

So close I can taste you Ain't scared I can take you Can't fight the feeling Can you feel me You got me feel it

Something you wanted to do all your life There's no more waiting tonight is the night And we can't be wrong not if it feels this right Turn it up, scream it loud But we got right now

Tomorrow's way too far away And we can't get back yesterday But we young right now We got right now So get up right now Cause all we got is right now

Tomorrow's way too far away And we can't get back yesterday But we young right now

We got right now So get up right now Cause all we got is right now
