

Stay

Rihanna

- All along there was a fever
A cold sweat hot-headed believer
I threw my hand in the air and said show me something
He said if you dare come a little closer

Round and around and around and around we go
Ohhhh now tell me now tell me now tell me now you know

R: Not really sure how to feel about it
Something in the way you move
Makes me feel like i cant live without you
It takes me all the way
I want you to stayyyyy
- It's not much of a life you're living
It's not just something you take, is giving

Round and around and around and around we go
Ohhhhh now tell me now tell me now tell me now you know

R:

mezihra:
Oooooohhhh the reason I hold on
Oooooohhhh cause I need this hole gone

Funny you're the broken one
But im the only one who needed saving
Cause when you never seen the light
It's hard to know which one of us is caving

R: +
I want you to stay
Ohhhhhh
