

Towards the Sun

Rihanna

[Chorus]

Turn your face towards the sun
Let the shadows fall behind you
Don't look back, just carry on
And the shadows will never find you

Turn your face towards the sun
Let the shadows fall behind you
Don't look back, just carry on
And the shadows will never find you

Lost in the rock and roll
Got lost in a promise
Of a love I never know
Shadows chase me far from home
I remember when my heart was filled with gold
And you know
I've been burned
I've been burned
I've been burned
You've seen me lose control
It's not worth
It's not worth
It's not worth
My soul

Turn your face towards the sun
Let the shadows fall behind you
Don't look back, just carry on
And the shadows will never find you

Lost my faith and trust
You and I know
Gold don't turn to rust
I still swear that we can reign
Like the kings and queens of better yesterdays
And you know
I've been burned
I've been burned
I've been burned
You've seen me lose control
It's not worth
It's not worth
It's not worth
My soul

Turn your face towards the sun
Let the shadows fall behind you
Don't look back, just carry on
And the shadows will never find you

Where you gonna go
Where you gonna go
Where you gonna run to
When you get to the edge of the night
Its time you face the sky

Turn your face towards the sun
Let the shadows fall behind you
Don't look back, just carry on
And the shadows will never find you

Turn your face towards the sun
Let the shadows fall behind you
Don't look back, just carry on
And the shadows will never find you
