

# What Now

Rihanna

I've been ignoring this big lump in my throat  
I shouldn't be crying, tears were for the weaker days  
I'm stronger, now what, so I say  
But something's missing

Whatever it is, it feels like  
It's laughing at me through the glass of a two-sided mirror  
Whatever it is, it's just laughing at me  
And I just wanna scream

What now? I just can't figure it out  
What now? I guess I'll just wait it out  
What now? Whoa, what now?

I found the one, he changed my life  
But was it me that changed  
And he just happened to come at the right time  
I'm supposed to be in love  
But I'm numb again

Whatever it is, it feels like  
It's laughing at me through the glass of a two-sided mirror  
Whatever it is, it's just sitting there laughing at me  
And I just wanna scream

What now? I just can't figure it out  
What now? I guess I'll just wait it out  
What now? Please tell me  
What now?

There's no one to call cause I'm just playing games with them all  
The more I swear I'm happy, the more that I'm feeling alone  
Cause I spent every hour just going through the motions  
I can't even get the emotions to come out  
Dry as a bone, but I just wanna shout

What now? I just can't figure it out  
What now? I guess I'll just wait it out (wait it out)  
What now? Somebody tell me  
What now?

I don't know where to go  
I don't know what to feel  
I don't know how to cry  
I don't know ow ow why  
I don't know where to go  
I don't know what to feel  
I don't know how to cry  
I don't know ow ow why  
I don't know where to go  
I don't know what to feel  
I don't know how to cry  
I don't know ow ow why

So what now?
