

# What's My Name

Rihanna

Ooh na na, what's my name  
Ooh na na, what's my name

Ooh na na, what's my name  
Ooh na na, what's my name  
Ooh na na, what's my name  
whats my name, whats my name

I heard you good with them soft lips  
Yeah you know word of mouth  
the square root of 69 is 8 something  
right cuz I've been tryna work it out, oooow  
good weed, white wine  
uh, I come alive in the night time  
okay, away we go  
only thing we have on is the radio-oh  
let it play, say you gotta leave  
but I know you wanna stay  
you just waiting on the traffic jam to finish girl  
the things that we could do in twenty minutes girl  
say my name, say my name  
wear it out, its getting hot, crack a window, air it out  
I can get you through a mighty long day  
Soon as you go, the text that I write is gon say...

Not everybody knows how to work my body  
knows how to make me want it  
but boy you stay up on it  
you got that something that keeps me so off balance  
baby you're a challenge, lets explore your talent

hey boy I really wanna see if you can go downtown with a girl like me  
hey boy, I really wanna be with you  
cause your just my type  
ooh na na na na  
I need a boy to take it over  
looking for a girl to put you over, uh  
oooooh, ooooooh

Ooh na na, what's my name  
Ooh na na, what's my name  
Ooh na na, what's my name  
whats my name, whats my name

Baby you got me, and aint nowhere that I'd be  
then with your arms around me  
back and forth you rock me yeah  
so I surrender, to every word you whisper  
every door you enter, I will let you in

You're so amazing, you took the time to figure me out  
thats why you take me, way past the point of turning me on  
you about to break me, I swear you got me losing my mind

Ooh na na, what's my name  
Ooh na na, what's my name

Ooh na na, what's my name  
Ooh na na, what's my name  
Ooh na na, what's my name  
whats my name, whats my name
