Where Have You Been

I've been everywhere, man Looking for someone Someone who can please me Love me all night long I've been everywhere, man Looking for you babe Looking for you babe Searching for you babe Where have you been Cause I never see you out Are you hiding from me, yeah? Somewhere in the crowd [Hook] Where have you been, All my life, all my life Where have you been, all my life [Beat Break] I've been everywhere, man Looking for someone Someone who can please me Love me all night long I've been everywhere, man Looking for you babe Looking for you babe Searching for you babe Where have you been Cause I never see you out Are you hiding from me, yeah? Somewhere in the crowd [Hook] Where have you been, All my life, all my life Where have you been, all my life [Beat Break] Where have you been, all my life [Bridge] You can have me all you want Any way, any day To show me where you are tonight
