

## Pictures of Success

Rilo Kiley

Build your own television receiver,  
Staying home can't be that bad for me  
'Cause I'm not scared, but I'd like  
Some extra spare time,  
Easily earn me big money  
I'm a modern girl, but I fold in half so easily  
When I put myself in the picture of success  
I could learn world trade or try to map the ocean

When you're dead, in hospitals and freeways  
When you're dead, in resting homes and clinics  
When you're dead, it must be nice to finish  
When you're dead

I've had it with you,  
And Mexico can fucking wait  
And all of those French films about trains  
'Cause I'm not scared, but I'd like  
Some extra spare time  
I'm not scared, but the bills  
Keep changing colors

When you're dead, in hospitals and freeways  
When you're dead, in dress shirts and neck ties  
When you're dead, in apartments and on beaches  
When you're dead

They say California is a recipe for a black hole  
And I say I've got my best shoes on,  
I'm ready to go  
Ready to go, ready to go, I'm ready to go  
Ready to go, ready to go, I'm ready to go

These are times that can't be weathered  
And we have never been back there since then  
These are times that can't be weathered  
And we haven't been back there since then  
These are times that can't be weathered  
And we have never been back there since then  
These are times that can't be weathered  
And we haven't been back there since then
