

Smoke Detector

Rilo Kiley

My eyes burn, everybody smokes
My eyes burn, everybody smokes
I smoke too, but not as much as you
I do the smoke detector

There is a girl in a tank top
She is not wearing a bra
She looks so hard on the dance floor
She does the smoke detector

She says "danger
"Do the smoke detector"
She says "danger
"I'm the smoke detector"

I took a man back to my room
I was smoking him in bed
Yeah, i was smoking in bed
This is what he said.

I took a man back to my room
I was smoking in bed
Yeah, I was smoking in bed
This is what he said.

I said "danger
"Do the smoke detector"
I said "danger
"Do the smoke detector"
