

# The Frug

Rilo Kiley

And I can do the frug  
I can do the robocop  
I can do the freddie  
I cannot do the smurf  
And I can hate your girl  
I can tell ya that she's real pretty  
I can take my clothes off  
I cannot fall in love

And I can do the frug  
I can do the robocop  
I can do the freddie  
I cannot do the smurf  
She cannot do the smurf

And I can watch tv  
I can shuffle off to buffalo  
I can do a back bend  
I will not call you back  
And I can start a book  
I can make some mac 'n cheese  
I can sleep twelve hours  
You'll never see my eyes

And I can do the frug  
I can do the robocop  
I can do the freddie  
I cannot do the smurf  
She cannot do the smurf

And I can hate your girl  
I can tell ya that she's real pretty  
I can take my clothes off  
I cannot fall in love  
You'll never see my eyes  
I will not call you back  
I cannot do the smurf  
I cannot fall in love  
I'll never fall in love  
I cannot fall in love  
I cannot fall in love  
I cannot fall in love  
I cannot fall in love  
I cannot fall in love

And I can do the frug  
I can do the robocop  
I can do the freddie  
I cannot do the smurf  
She cannot do the smurf
