

## With Arms Outstretched

Rilo Kiley

It's sixteen miles to the promise land  
And I promise you, I'm doing the best I can  
Now don't fool yourself  
In thinking you're more than a man  
Cause you'll probably end up dead

I visit these mountains with frequency  
And I stand here with my arms out  
Now some days they'll last longer than others  
But this day by the lake went too fast

And if you want me  
You better speak up  
I won't wait  
So you better move fast

Don't fool yourself  
In thinking you're more than you are  
With your arms outstretched to me

Now it's sixteen miles to the promised land  
And I promise you I'm doing the best I can  
Now some days they last longer than others  
But this day by the lake went to fast

And if you want me,  
You better speak up  
I won't wait  
So you better move fast

And someday they last longer than others  
But this day by the lake went to fast

And if you want me,  
You better speak up  
I won't wait  
So you better move fast
